Geography Area Series: County Business Patterns by Employment Size Class

2013 Business Patterns

Table Name

Geography Area Series: County Business Patterns by Employment Size Class: 2013

Release Schedule

The data in this file were released on April 23, 2015.

Key Table Information

Beginning with reference year 2007, CBP data are released using the Noise disclosure methodology to protect confidentiality. See Survey Methodology (<http://www.census.gov/econ/cbp/methodology.htm>) for complete information on the coverage and methodology of the County Business Patterns data series.

Universe

The universe of this file is all operating establishments with one or more paid employees. This universe includes most establishments classified in the North American Industry Classification System (NAICS) Codes 11 through 813990. For specific exclusions and inclusions, see Industry Classification of Establishments.

Geography Coverage

The data are shown at the U.S. level and by State, County, and Metropolitan and Micropolitan Statistical Areas.

Industry Coverage

The data are shown at the 2- through 6-digit NAICS code levels for all sectors with published data.

Data Items and Other Identifying Records

This file contains data classified by the employment size class of establishment. For each class size the number of establishments, total employment, first quarter payroll and annual payroll are published.

Sort Order

Data are presented in ascending geography by NAICS code by employment-size class code sequence.
