The Honorable Elaine Chao, Secretary
U.S. Department of Transportation
1200 New Jersey Avenue SE
Washington, D.C. 20590-0001

Dear Secretary Chao:

The Copeiah County School District emphatically supports the Copeiah County Board of Supervisors in their efforts to obtain a BUILD grant for the purpose of upgrading and rehabilitating existing local county roads, bridges, sidewalks, and railroad crossings. This funding, if obtained, will allow Copeiah County to create safer routes to schools for parents, students, and community stakeholders.

I hope you will give the Copeiah County application for the BUILD grant favorable consideration. If I can provide further assistance please contact me.

Rickey Clopton
Superintendent of Education
